Dear Colleague,

President's Regional Honours 2020

I am writing to invite nominations from your Local Party to the President's Regional Honours, to be awarded at the Autumn 2020 North West Conference, which will be held on October 17th.

Those honoured are given a certificate by the Regional Party President and their names have been inscribed in a leather-bound book. When considering whether someone in your area should be put forward please bear in mind the following:

Objective – recognition of long service to the Liberal / SDP / Liberal Democrat parties in a *non-publicly elected role*. This award is principally to recognise the “back room” people in the party. Diversity note: they don't have to be men!

Qualification – generally the minimum membership should be 10 years.

Nominations should be made by either a local party executive or by 5 party members (in either case with supporting reasons).

Only in very special circumstances would more than one nomination be considered from a local party per year.

Given the pandemic I'd definitely encourage submitting nominations by email (copy in your fellow local party officer or the co-signatories to a five member nomination) rather than by post.

Yours truly,

Vicky Downie
Regional Secretary
North West Liberal Democrats
