Dear Colleague,

President's Regional Honours 2016

I am writing to invite nominations from your Local Party to the President's Regional Honours, to be awarded at the Autumn 2016 North West Conference, which will be held in Lancaster on October 15th at the University of Cumbria.

Those honoured are given a certificate by the Regional Party President and their names have been inscribed in a leather-bound book. When considering whether someone in your area should be put forward please bear in mind the following:

Objective – recognition of long service to the Liberal / SDP / Liberal Democrat parties in a non-publicly elected role. While councillors should not be excluded, the award is principally to recognise the “back room” men and women.

Qualification – generally the minimum membership should be 10 years.

Nominations should be made by either a local party executive or by 5 party members (in either case with supporting reasons).

Only in very special circumstances would more than one nomination be considered from a local party per year.

Yours truly,

Cllr Sue McGuire
Regional Secretary
North West Liberal Democrats
